

“We are no. 1 Air Freight Forwarder to Continental Europe ”

We were recently given to understand from Airline performance Index, that we are the leading No.1 agent for the trade lane from India to Continental Europe, having moved the maximum tonnage on this lane.

With our commitment of tonnage we have a great pricing and Capacity deals with airlines & they too are ready to ensure and provide us with the best of the services & commitment in handling the cargo, which helps us to retain & grow this lane further.

We are flattered to enjoy this position. Thanks to the amazing service delivered by our team & support of our loyal partners & clients – well done all.
